

Information for the contributors

The Prime Medical Journal is published twice in a year in the month of January & July. The Journal publishes original articles, Review Articles, Case Reports, Procedures, Letters to the Editors etc. in all branches of medical science.

Editorial scope:

- ❖ The Prime Medical Journal (PMJ) is intended to promote publication of concise scientific articles based on the study in all fields of medical and health sciences.
- ❖ Submitted manuscripts should not be previously published or accepted for publication elsewhere.
- ❖ All submitted articles will undergo double blind peer review as per recommendations by subject specific experts selected by editors.
- ❖ Reviewed manuscripts will be sent to the corresponding author for correction if it is necessary.
- ❖ Acceptance is based on significance, originality, clarity and fulfillment of the criteria of a publication policy of this journal.
- ❖ Selection of the reviewed and accepted manuscripts intended for publication on a particular issue will be decided by the Editorial Board.
- ❖ The Editor-in-Chief will take the final decision regarding acceptance.
- ❖ Rejected manuscripts will be returned if accompanied by a stamped & self-addressed envelope.
- ❖ Upon acceptance for publication the copyright of the paper automatically belongs to the PMJ and will not be published elsewhere either in part or whole without the written permission of the copyright holder.
- ❖ Review articles should be written by a subject expert.

Ethical aspects :

- ❖ Manuscripts based on the study should be conducted according to the ethical standards laid down in the 1994 Declaration of Helsinki revised in 2000.
- ❖ Manuscripts must contain a statement in the method section that all human subjects involved in studies have been approved by an appropriate ethical committee after careful examination of the ethical aspects.
- ❖ Permission of the patients or their families to be taken to publish photographs of the patients where identity is not disguised.
- ❖ Authors should obtain written permission to reproduce any table, illustration from any other source.
- ❖ Information of the individual article is the responsibility of the author(s); the editorial board bears no liability whatsoever for consequences of any such inaccurate and misleading information, opinion or statement.
